

MINUTES OF COUNCIL FOR JUNE 25TH 2009.

All members were present. The Reeve Wanda Donaldson Chaired the meeting.
*** indicates a resolution of Council.

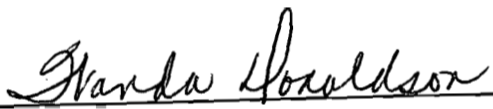

Notes to the Minutes.—It should be noted that the **Council**(at the previous public meeting) **has** requested the Tenders for the construction of recycling depots to be located at both the Millbridge and the Grimsthorpe garbage disposal sites. There are extenuating circumstances here, in that Greenview (the Municipal Site review expertise)has not received approval from the Ministry of Environment to place a transfer depot at the sites. The item was considered an Internal matter that needed resolve before any Public reporting was given out. The Public should know that the call for recycling has been given by **Council** and will be carried out in due course.

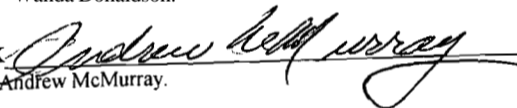

1.*** Terry Middleton— John Woolley; To adopt the previous minutes as circulated beforehand. — carried.

2.*** Janet Robbins— Duane Burkitt; because discussion is to take place regarding an **Identifiable** person ; that Council go into Caucus citing Section **239(2)(b)** of the Municipal Act.

NOTE --After Caucus discussion, Council again entered into a Regular Council meeting **that** was open to the Public.

3.*** Janet Robbins — John Woolley; That Council Adjourn to meet July 7th or at the call of the Reeve or Council.
