

## Sustainability Minutes

January 9, 2018

11:00 am

**Present:** Joan Donaldson, Nancy Carrol, Libby Clarke, Roy Reeds

1. Motion to accept December 5, 2017 minutes,  
Moved by Irene, seconded Joan – carried

### 2. Front Entrance Rejuvenation

- We will get information on the cost of a sign that would hang on the wall of the building
- Nancy to contact Blaine DeVouge from RCIS Walls with regards to how many vendors have purchased space on the sign that is currently on the wall at the community centre.
- If there have been no renewed contracts for space then I will request that the sign be removed by Mr. DeVouge.
- It is also recommended that the current events board be replaced at the front of the building as it is looking aged.
- It has been discussed that a living tree should be planted at the front of the building to celebrate Canada's 150 years

Motion to have a living tree planted in early spring of 2018 at the front of the Community Centre. The exact location is to be determined in the spring.

Moved by: Roy Reeds

Seconded by: Irene Martin

### 3. Economic Development Updates

- Neither Libby nor Nancy have received any further correspondence with regards to the Trails group
- Libby provided the group with a copy of the Pie charts that depict the funding sent to the northern municipalities through the County of Hastings just for our information

### 4. Old Business

- **Christmas Tree-** a timer needs to be purchased to ensure that the tree is lit over the holidays next year

### 5. Seniors Grant –

- Joan has been populating the new website with historical data that she has been accumulating from many sources
- The next luncheon will be held on January 29<sup>th</sup>
- Loyalist college has been contacted to see about having a class on social media
- Libby mentioned providing information on what internet services are available in the area.

6. **Campsites** – Time will be put into this in February to continue to develop a plan

Sustainability Minutes

January 9, 2018

11:00 am

**7. Sports Equipment**

Motion to have some of the sporting goods that are being stored in the basement such as cross country skis and Boots sold as surplus as they are being damaged by the humidity in the basement of the building.

Next meeting: February 6, 2017 at 11:00 a.m.
