## TOWNSHIP OF TUDOR AND CASHEL

---

### **Are you doing your part? #flattenthecurve**

Ontario Premier Doug Ford stated yesterday that he is strongly urging **SEASONAL RESIDENTS** to **NOT** relocate to their cottages during the COVID-19 pandemic to avoid putting added strain on the health care systems in our region, as well as the resources available to the community

**For those Seasonal Residents who have chosen to come here now and spend this time in our area, we ask you to please self-isolate appropriately for 14 days.**

We have amazing service providers and businesses in our area who will help you get the supplies you need, but we are expecting that everyone does their part to **physically distance themselves as ordered by Public Health and the Federal and Provincial Governments.**

The stress that the next few weeks will place on our first responders is going to be significant, and we all need to do our part to reduce that strain.

Remember we are all in this together, wash your hands, practice physical distancing, and **STAY HOME.**
