

Addendum 19-08-01 to RFT 19-08, Supply and Deliver Propane, Clear and Coloured Diesel

QUESTION:

Posted rack pricing doesn't include any provincial or federal tax, do we quote exempt?

Also there is no mention of the carbon levy/tax, do we quote minus the carbon portion?

RESPONSE:

Exclude the taxes from you bids as this will be the same for all bidders.

Thank you

Nancy Carrol
