

# YOUR OPPORTUNITY TO GET INVOLVED!!!

The Township of Tudor and Cashel is reaching out for volunteers within the community interested in helping move our township forward.

At this time volunteers are required for the newly structured Advisory Committees of Council.

**Community and Communications Advisory Committee (“CCAC”)** is a newly formed committee of Council with a mandate to foster collaborative engagement with all stakeholders; including residents, township staff and Council. The committee will work in an advisory capacity on matters related to Township communication, both internal and external, to cultivate a positive culture of engagement and dialogue with the community establishing criteria by which the success of which may be assessed. The former Recreation and Euchre committees will form sub-committees of the CCAC, which will be chaired by Councilor Elain Holloway ([holloway@tudorandcashel.com](mailto:holloway@tudorandcashel.com)).

**Public Works Advisory Committee (“PWAC”)** was recently formed by combining the former Roads and Waste Management committees. It is an advisory committee of Council with a mandate to provide advice and recommendations to Council on matters that relate to public works such as roads, bridges, equipment, waste management and the environment. The Public Works Advisory Committee will also provide support on other related issues as requested by Council. The PWAC will be chaired by Deputy Mayor Bob Bridger ([bridger@tudorandcashel.com](mailto:bridger@tudorandcashel.com)).

**Finance and Planning Advisory Committee (“FPAC”)** is a newly created committee that will provide advice and recommendations to Council regarding budgeting, financial reporting, investment, strategic planning and development and asset management. A key role of the FPAC is the growth and sustainability of our community. Councilor Jerry Chadwick will chair this committee ([chadwick@tudorandcashel.com](mailto:chadwick@tudorandcashel.com))

The committees will generally meet at the Municipal Building located at 371 Weslemkoon Lake Road on a monthly basis, or at the call of the chair. The actual meeting schedule will depend on projects and issues taken on by the committee.

**Other Opportunities** If one of these committees is not what you are looking for, we are also seeking volunteers for the 6B Roads (Mayor Dave Hederson) and Short-term Rental (Councilor Brent Taylor) ad-hoc committees. If you would like to be considered to help out with future events, we'd like to hear from you, as well! Fill out the attached form and let us know what is of interest to you.
